Datebook: Fort Greene at VENUS, Los Angeles

"Fort Greene," an exhibition featuring the artworks of multiple artists will run through October 29, 2016, at VENUS, Los Angeles.

The show features over 90 works by 27 established artists. The exhibition is composed of art historical narratives, stylistic or thematic similarities that overlap different projects, shared educational backgrounds and work experience. The show explores the web of connections between artists, whose paths have crossed in different places at different points in time. The exhibition has been curated by New York-based artist and sculptor Adrienne Rubenstein.
