10. Katherine Bernhardt at Venus Over Manhattan

Bernhardt's latest work was inspired by a trip to Puerto Rico, so be prepared for lots of flora, fauna, and fruit along with the occasional non sequitur, like cigarettes and toilet paper. Bernhardt painted a "teaser" [mural outside the gallery's Los Angeles outpost](#) this summer. (Cait Munro)

Katherine Bernhardt, "Pablo & Efrain," will be on view at Venus Over Manhattan from September 9-October 24, 2015.
